

DB LOGISTICS (L) SDN. BHD.

COMPANY PROFILE

Integrated freight forwarding, shipping and offshore logistics

Built in Borneo. Connected beyond it.

———— A multi-service logistics platform supporting cargo, vessels and offshore personnel.

Operational scope

Reliable coordination across every movement.

DB Logistics provides tailored freight forwarding and shipping solutions across land, sea and air.

Established in 2015 with a vision to connect businesses globally, DB Logistics supports movements from routine freight to complex offshore requirements.

Industry experience, international partner relationships and a dedicated operational team enable solutions shaped around each client's requirements.

Precision in documentation. Care in execution. Clear ownership from origin to destination.

A clear ambition, grounded in dependable service.

Corrected and refined from the source profile.

VISION

To be a reliable, leading one-stop integrated third-party logistics provider for clients in Malaysia and international markets.

MISSION

To deliver superior domestic and international freight services through comprehensive logistics solutions designed around business needs.
